

Building a Stronger Network for You

It takes planning and vision to stay at the top. That’s why Staples Global Markets hosts an annual partner summit to strengthen the Global Identity Network and discover new ways to enhance our clients’ global brand experience.

Covering a wide range of topics from sourcing and compliance to trend identification, collaboration to key initiatives, we host panel discussions with suppliers and representatives from some of the world’s most recognized brands.

This summit provides us with the insight we need to expand our knowledge and bring creative ideation and innovation to life. That’s what our clients deserve. That’s what we deliver.

“Staples Global Markets continues to pioneer a global product and delivery system for promotional merchandise. They lead the way promotional products are purchased and used by companies all over the world. The Global Identity Network Summit is a one of a kind conference that brings together multiple promotional product companies from all over the world and a great investment towards managing, delivering and creating a seamless buying experience for global customers and their stakeholders.”
